# TREASURE HUNT

## Event Description:

In a treasure hunt, participants are given a set of clues that lead them to different locations where they must search for additional clues or objects. These clues can be in the form of riddles, puzzles, maps, or cryptic messages that require some level of problem-solving and critical thinking skills.

## Team Specification:

1. The team can have a minimum of 2 & maximum of 4 numbers.
2. Students from different institutes can be a part of the same team.

# TREASURE HUNT
